

TERRANO

2015

"young, impetuous, captivating"

representing the local flag.

*An expression of the red soil of the Carso
and of its sharp and strong character*

Denomination

Venezia Giulia IGT (Geographical Identification)
- Azienda Agricola KANTE.

Grapes

Obtained by hand-harvested, 100% Terrano grapes.

Vineyard

The vineyard is located at 250 meters above sea level in the Carso Triestino; an area composed of red soil and limestone rock. With a density of 5,500 plants per hectare, a yield of 1.5kg per plant, and a single Guyot cultivation system, it has been the symbol of the winery's indigenous research for over 15 years.

In the Cellar

Maceration for three weeks and aging for 36 months in 25hl oak barrels. The wine is then bottled without any filtration.
Final alcohol content is 12%.

Climate Trends

A great vintage year characterized by a warm spring with early ripening, followed by a summer with regular precipitation, and concluding with an exceptional dry vendemmia.

Wine Tasting

The wine has an impenetrable purple red color with luminous reflections.
The Terrano is a traditional wine from the Carso region in Trieste, to which KANTE wanted to add a modern vinification, resulting in an authentic and noble product.
Associated with the red soil of the Carso, this wine gives a rich scent that recalls that of wild berries and ripe red fruit.
In the mouth the pleasant and distinct and persistent freshness will marvel you.
Serving recommended between 15 - 16°C.

Bottle Sizes

0.75 L
